

Black: THEY are the enroller

Your 3 legs →

YOU

Red: You are the enroller

**Step 1: Premier, then Silver**

Get 3 legs to 3000 OV each  
 Place your enrollees under your 3 Builders/Sharers and at the same time focusing on helping them create their 2-3 legs as well.  
 This is so your transition to Gold (having 3 Premier's) is already in the works!  
 Be Selfless. Support your team members, help them earn a check. It is inspiring!  
 Do not start a 4<sup>th</sup> leg if you aren't at least a solid Silver or even beyond.

**Step 2: To Gold and beyond**

Ranking past Silver– You can qualify for Gold or Platinum off these people going Silver even though they are not on your topline.
